1. How to add Matic Chain on Metamask

- Open Metamask and click on the Network selection dropdown.
- Choose "Custom RPC" into the dropdown.

- It will open up a form with 5 fields, copy and paste following info:

Network Name: Matic Mainnet
New RPC URL: <https://rpc-mainnet.maticvigil.com/>
Chain ID: 137
Currency Symbol: MATIC
Block Explorer URL: <https://explorer.matic.network>

- d) Once you've added the information click on Save. You will be directly switched to Matic's Mainnet now in the network dropdown list. You can now close the dialog.

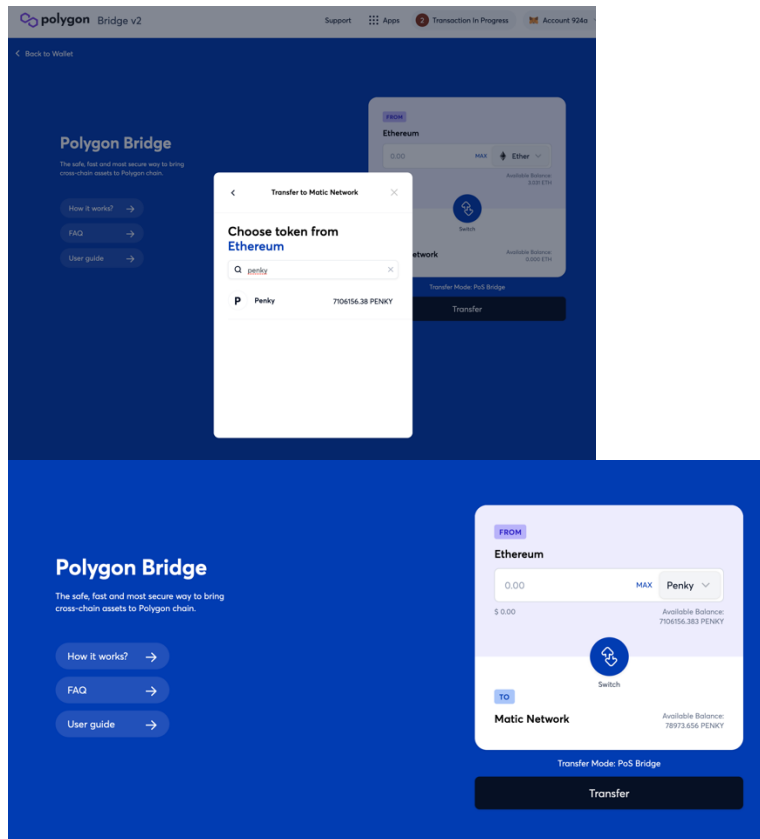

2. Add PENKY contract to Metamask

- a) Open Metamask. Go to *Add Token > Custom token* and paste the following *Token Contract Address*: 0x3A35e98cC7390A15d458Bb85f9a12823e2eF25eD
